The purpose of this form is to prepare and save abstract information before submitting online. Abstracts must be submitted online.

Abstract Information

Titles and session abstract fields for approved abstracts are published to attendees, therefore, please indicate clearly what value your presentation will bring to this year's attendees (i.e. "what makes this presentation unique and worthwhile to attend?") within the session abstract field.

All submitted abstracts are given the session type "Presentation" and will be schedule as a 45-minute session length.
