

Written Attestation of Conformity

For components for use in potentially explosive atmosphere
ATEX Directive 2014/34/EU, EMC Directive 2014/30/EU

No: **MMi 0060/02 E**

We,
Micro Motion Inc.
7070 Winchester Circle
Boulder, CO, 80301
USA

declare under our sole responsibility that the product,

Model Junction Box Assemblies

to which this declaration relates, is in conformity with the provisions of the European Community Directives, including the latest amendments, as shown in the attached schedule.

Presumption of conformity is based on the application of the harmonized standards, normative documents or other documents and, when applicable or required, a European Community notified body certification, as shown in the attached schedule.

This Attestation of Conformity relates only to the design and construction of the specified component described, documented and referred to in this declaration. Incorporation of this component into equipment or protective systems during installation, use and maintenance can only be achieved by observing the state of the art, the applicable installation standards, the manufacturing instructions and the operating conditions, to ensure that the finished equipment or protective system meets the applicable Essential Health and Safety Requirements of Directives 2014/34/EU and 2014/30/EU.

This Attestation of Conformity is in accordance to the European Standard EN 17050-1 "Conformity assessment-Suppliers declaration of conformity – Part 1 General Requirements" and standard EN 17050-2 "Conformity assessment-Suppliers declaration of conformity – Part 2 Supporting Documents"
