

QuickShip Emergency

Respond to the unexpected with reliable, accessible and fastest-possible service

Speed and reliability are crucial when you need an immediate replacement for a critical part or product. That's why it's important to find a vendor or supplier you can trust to source or manufacture the exact item you need, and have it shipped to location fast enough to avoid unnecessary downtime.

By using Emerson's **QuickShip Emergency** service, you can be confident of having immediate access to reliable resources that can have the part or product you need delivered to site at the fastest possible speed.

QuickShip Emergency connects you to dedicated Emerson representatives who are available 24 hours a day, seven days a week, to help identify the correct part or product, evaluate viable options and process your order quickly. They'll also leverage Emerson's vast network of suppliers and experts through local fulfillment offices and central support to have the item available and shipped direct to location quickly and efficiently.

With QuickShip Emergency, Emerson can help resolve your crisis and get you that critical part or product as quickly as possible.

QuickShip is a world-class fulfillment program that allows for fast shipment of parts and products to maximize speed and responsiveness. It leverages our global infrastructure, local presence and commitment to service to help you avoid downtime, stay on schedule, respond to the unexpected, and control costs in today's challenging environments.

Put Emerson's wealth of resources and expertise to work for you to resolve all your part and product shipping needs, no matter the circumstances.
