

QuickShip Expedite

Stay on schedule and under budget with fast, flexible production and shipment

When you need a long-lead item—whether individual, rarely-ordered parts or complex assemblies—fast, you need a supplier that can meet your deadline and provide pricing flexibility.

With Emerson's **QuickShip Expedite** service, you can rely on trusted manufacturing resources to significantly reduce production time for long-lead items with customized pricing to meet your budgeting and scheduling expectations.

QuickShip Expedite leverages Emerson's entire production network to generate on-demand fulfillment and front-of-line assembly to reduce standard lead times by up to 50% so that you can stay on schedule, reduce operational risk, and respond to late and unexpected changes.

If you need more options to stay under budget, this service offers a flexible price premium based upon desired lead time reduction to accommodate your budget and still meet your scheduling expectations.

Working with QuickShip Expedite, you can get the product you need at a price and lead schedule that meets all your budgeting and scheduling needs.

QuickShip is a world-class fulfillment program that allows for fast shipment of parts and products to maximize speed and responsiveness. It leverages our global infrastructure, local presence and commitment to service to help you avoid downtime, stay on schedule, respond to the unexpected, and control costs in today's challenging environments.

Put Emerson's wealth of resources and expertise to work for you to resolve all your part and product shipping needs, no matter the circumstances.
